Report of Principal and School Improvement Council

The mission of Nursery Road Elementary School is to motivate, empower, and support students to accomplish individual goals within challenging curricula and to develop successful citizens in a diverse community. Our efforts to accomplish this mission were evident throughout the 2012-2013 school year. We are proud to announce that we received an absolute and growth rating of Excellent on our S. C. State Report Card and Palmetto Gold for the fourth consecutive year. We also received Ribbon Status on our Positive Behavior Intervention and Support initiative (PBIS).

We continue to cultivate a culture of excellence by meeting the needs of all of our Champions through class placement, gifted programs, and intervention services. Data rallies celebrate our students' accomplishments on MAP and PASS. Our PBIS initiative provides a proactive approach to behavior through common language and expectations throughout the school. Our staff continues the ongoing collaboration for best practices in instruction (including transition to Common Core State Standards) and assessment that promotes student growth through Data Teams.

Our students continue to learn by serving in leadership roles at school and in the community. Our Champions participate in events that include Special Olympics, Student Government Association, River Sweep, Relay for Life, Safety Patrol, and various art and writing competitions. Our students were selected to "star" in a DHEC commercial about Champions of the Environment.

Our Pre-Games allow students opportunities for extracurricular activities before the school day. These opportunities include Goal Oriented Leadership Development (GOLD), math lab, book club, ballroom dancing, a Step Team, fitness, nutrition, and learning to play the dulcimer. Our PTO sponsors our quarterly Pinning Ceremony to recognize students for academic accomplishments, attendance, behavior, and service. Our monthly "Heart Act to Follow" Ceremony, sponsored by our partners at Fellowship Baptist Church, recognizes students who have shown "Habits of Heart." Our grounds and facility improvements include a new landscaped garden at the front entrance of our school, keyless card pads to ensure safe entry into the building, a new wire fence surrounding our Special Needs playground, and a canopy for our Special Needs wheelchair swing.

Technology remains a focus at Nursery Road Elementary. LeapFrog SchoolHouse literacy products and senteos are used as tools for instruction. This year we added a Reflex Math Lab for students to practice math fluency. We continue to implement Compass Odyssey during the school year and the summer to challenge all of our Champions.

Through professional development, continued data analysis, and collaboration we will continue to live out our vision of "Green and Growing" as we motivate, empower, and support our Champions.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.

Overall Weighted Points Total	89.8
Overall Grade Conversion	B
